Subject: Kewaunee Petition - request for meeting

Good afternoon:

I'm checking in on behalf of the Petitioners who requested EPA's assistance to address the drinking water quality crisis in Kewaunee County, WI. There have been a number of developments, and we would also like to discuss EPA's position on the status of the petition. The Petitioners would like to set up a meeting with EPA in the near future to discuss these matters. Please let me know if there are some dates and times that would work for the EPA staff involved on this issue.

Best,

Sarah Geers
